

5150 Eucalyptus Ave Unit A Chino, Ca. 91710 888.360.3696

Read complete instructions before installation! Improper installation may void warranty

Description: Projector Headlight with Halo Part Number: 111192 - 111207 -111208 -111191 Application: 99-07.5 GMC Sierra, Sierra Classic, 00-06 Yukon

Tools needed Wire Strippers Pliers

Unclip the 2 connectors on the back of the light

Reassemble the light back into the vehicle by reversing these steps.

When you are finished installing your new Anzo Headlight check for proper functions, example: headlight, turn signal, halos.

Be sure not to pinch the wires in between anything.

Remove the 2 pins located at the top of the light

Remove the parking light

Pull the headlight assembly out

Tap the 2 red wires into the parking parking lights using the supplied wire taps. One for power one for ground. These wires are for your Halo's.

AnzoUSA[™] products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA[™] product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
